

CHANCELLOR'S SCHOLARS
Employment Registry and Consent Form

The Chancellor's Scholars Employment Registry is a collaborative effort with Marshall University and West Virginia University sponsored by the West Virginia Higher Education Policy Commission. The West Virginia Higher Education Policy Commission has been proud to support this program to increase the numbers of underrepresented students pursuing and succeeding doctoral degrees that lead to faculty careers at higher education institutions in West Virginia.

The information collected will be used for the purpose of identifying possible candidates for employment opportunities with colleges or universities in West Virginia.

Please provide the following information to be included in this registry. Although the registry is for employment opportunities with West Virginia colleges and universities, please note that by completing this consent form you acknowledge your first name, last name, current major, and degree will be made public on the registry webpage housed on the West Virginia Higher Education Policy Commission's website. The Higher Education Policy Commission will provide additional information, upon request, to institutions interested in contacting you for potential employment opportunities.
